

## **PRESIDENT'S SPECIAL PROJECT**

***At the heart of it all is  
FUN, surrounded by  
Service, Commitment,  
Loyalty, Caring, and  
Kindness.***

- ✦ Using a five-pointed star, the **FIRST Point of Light** challenge is for 75% of our state's clubs to **support the National Day of Service** in September.
- ✦ The **SECOND Point of Light** in the challenge is **to double our participation in the Legislative Action Center**.
- ✦ The **THIRD Point of Light** in the challenge is for 75% of our clubs to support one of the **GFWC Affiliate Organizations**.
- ✦ The **FOURTH Point of Light** in the challenge is to **Shout Out Your Story** with 75% of our clubs updating and expanding their visual presence in the community.
- ✦ The **FIFTH Point of Light** promotes reading and supports literacy, both paramount to developing strong communities and future leaders. Libraries and books open a world of imagination, escape, and sense of power.

***The challenge as a state*** is to raise \$6,000 to be shared equally between three reservation locations - the **Boys and Girls Clubs of the Northern Cheyenne Nation**, the **Jocko Valley Library in Arlee on the Flathead Reservation**, and the **Glacier County Library Memorial Foundation serving the Blackfoot Reservation**.

Report your work in the appropriate program. Let President's Special Project Chairman, Deb Willis, as you complete one of the challenges.
